IMPORTANT CHANGE TO RESELLER DISCOUNT STRUCTURE

In our ongoing effort to making reselling BLI products easier and more profitable, we are streamlining our discount structure.

Effective **September 15, 2021**, the original “Paragon” discount structure is eliminated.

All products which were governed by the original “Paragon” discount structure, which includes all rolling stock, passenger cars, and accessories, are now discounted at the standard locomotive discount.

Note that Brass-Hybrid discounts remain as they were.
