

RE-STOCK ANNOUNCEMENT

RE-STOCK ANNOUNCEMENT

## N Scale Electrical Tower Kits

Available Late 2022/Early 2023

*Kits come in uncolored gray, 3 pylons per box*

Kato USA will be restocking the popular 23-401 Electrical Tower Kits originally designed by Heljan and manufactured in-house. This will be a limited production run so availability may be limited after these are released – be sure to place your reservations accordingly to make sure you stock up on these kits for the future!

ITEM#	DESCRIPTION	MSRP
23-401	N Electrical Tower Kit (3 pcs.)	\$35*

*\*MSRP is an estimate and is subject to change.*
