**NEW ANNOUNCEMENT!**

**N Amtrak Superliner® 4-Car Sets – Phase VI**

**Brand New Road Number Release**

Kato’s N Scale Superliners are returning just in time for the holidays, with brand-new road number releases in the traditional 4-pack style.

These Superliners are perfect for being paired with Kato’s N Scale GE P42 locomotives like the upcoming **Operation Lifesaver** or **50<sup>th</sup> Anniversary** engines!

- Fully detailed interiors can be lit with optional LED Interior lighting kits #11-211 (single) or #11-212 (6 pack)
- Finely detailed with prototype accurate painting and lettering.
- Free and smooth rolling trucks for maximum performance.
- All cars are equipped with Kato semi-automatic knuckle couplers.
