

N Scale ALC-42 “Charger” Amtrak® Locomotives & Superliner “Starter Series” + Bookcase Sets

Analog Versions Available December 2022!

Kato is excited to announce the hotly anticipated ALC-42 “Charger” locomotive in N scale, coming this December! This brand new engine will ship in two different paint schemes (seen above), and will be packaged individually as well as with passenger cars in set form. See the list below for details!

- The new ALC-42 is DCC friendly with a pre-built speaker housing space in the fuel tank.
- Prototypical see-through venting on the side of the engine which can be illuminated with an optional 11-211 Interior lighting kit.
- All new mechanism design that maximizes weight and detail.

ORDER DEADLINE: THURSDAY, September 30th BY 5 PM CST!
