

N Scale ALC-42 “Charger” Amtrak® Locomotive + Superliner Starter Set

Available December 2022!

Kato is excited to announce the hotly anticipated ALC-42 “Charger” locomotive in N scale, coming this December! In addition to individual locomotive releases, this engine will also be available in a **Starter Set**, complete with UNITRACK and a Kato Power Pack SX! This new release will be a standard item in Kato’s library of Starter Sets and will be available this coming December.

This Starter Set will have the same locomotive and rolling stock contents as the also available 10-1788 “Starter Series” 4-Unit Set.
