38936 Monster Mayhem Hopper

60q 320

PIKO brought you the very first Halloween-themed G-Scale cars, and this year PIKO brings even more. This model includes glow-in-the dark highlights and shows a great scene of some monsters who are up to no good. **Produced only once.**

38937 Tacky Tombstones Hopper #2

60q 320

PIKO brings you a second Tacky Tombstone Hopper, bringing you even more railroad-themed holiday hilarity and humor. This car has glow-in-the-dark highlights. **Produced only once.**

38932 Halloween Ore Car, 2-Pack

60q 210 210

PIKO brings even more Halloween fun with this 2-pack of Halloween-themed ore cars. The "Halloween Howler" ore cars got their name from vultures eerie *howling* screech, and of course wolves love *howling* at the moon. These cars will fit with our previous Halloween starter set, or in any Halloween train you can dream up. Includes glow-in-the-dark highlights. **Produced only once.**

### 37155 Freight Building Block Car R/C Starter Set (Building blocks not included in the package)

This new PIKO freight set includes a great GE 25-Ton diesel loco and two building block cars. With this set, the imaginations of young (and not-so-young!) model railroaders can run wild with a train car that may be built and rebuilt any way they want it. Aspiring railroaders can use their favorite building blocks for nearly unlimited possibilities! Whether running trains alone or with others, younger modelers can constantly be creating new works of art with this fun set from PIKO. This set is just another way others can join in the PIKO family fun.

### Adding to the Series!

- Honoring the Greatest Generation and the planes that made history,
- Photo-realistic graphics!
- Original licensed artwork!
- Produced only once!

### 38938 Vintage Warbirds P-40 Hopper

The Curtiss P-40 Warhawk was well known as a workhorse and was used by most Allied forces of the era at mid-altitudes and for ground work. PIKO presents this 9th car in the Vintage Warbird series in great detail. **Produced only once.**
