## ET44AC "TIER 4" GE EVOLUTION SERIES LOCOMOTIVES

The Officially Licensed GE ET44 "Tier 4 GEVO" from InterMountain continues our tradition of excellence in this series of modern, GE-built locomotives. This model features finely molded parts, railroad specific details, prototype based color representation with laser sharp painting and printing including the numerous miniature labels accurately represented. Our Tier 4 drive is smooth, heavy (approx. 1.6 lbs), and powerful with an all new larger motor. See a full list of features on our website!
