SEASON'S GREETINGS FROM WALTHERS

It's beginning to look a lot like Christmas! The tree is up, there's a wreath on the door, hot chocolate in the kitchen, carols streaming on the computer... but once the train starts running under the tree, that's when the holiday magic really comes to life!

More than just lights and motion, a train under the tree will instantly rekindle memories that make friends and family smile and share stories of trains from Christmases past.

At this special time of the year, we're honored and humbled to have played a part in making your celebrations special, yesterday, today and tomorrow. From all of us at Walther's to all of you, Merry Christmas, and best wishes for a happy and safe New Year in 2024!

COVER STORY: *"Dear Santa, this year I've been very good and I really, really want a train set."* From the minute the first mail order catalogs arrived, your dreams were set in motion. Getting dressed up for the trip downtown was worth it! The big department stores seemed to have decorated just for you... you could have spent hours in toyland just watching model trains roaring past... and all those amazing accessories that actually dumped coal, milk cans and more at the touch of a button! Fingers crossed, the weeks dragged by, but on the big day, you burst downstairs... and there it was! The engine gleaming under the lights on the tree, you gently eased the throttle forward and marveled as the magic came to life for the first time. Whether you're looking to keep memories rolling, or start a tradition of your own, Walther's is here to help! Start your adventure online with a visit to our Train Set Advisor at walther.com/train-set-advisor for helpful hints and information to pick the perfect set. Be sure to check out the special Holiday Gift Guide starting on page 3, for even more great ideas!

N Smith Brothers TV & Appliance Store - Built-&-Ready Landmark Structures
 Woodland Scenics. Detail your downtown with this Built-&-Ready structure featuring flickering TVs with LEDs made for use with the Just Plug® Lighting System. An eye-catching printed interior creates the illusion of depth, from the shop at the front to a stockroom in the back. The building is hand-painted and weathered with loads of signage. Other exterior details like a loading dock with a dolly, a dumpster and more add to the building's authenticity. The structure also comes with a pre-installed LED interior light made for use with the Just Plug Lighting System.

N Great Lakes Freighter
 Sylvan. A full-size scale model with no selective compression to make a layout-sized model that fits from the 1900s to 1980s. Resin and metal kit includes all parts, fittings, and accessories for a complete model, including etched brass stanchions, and a fully detailed wheelhouse interior. Main structural assembly is simplified using one piece castings. Model measures 19-1/4" 49cm long and 3-1/4" 8.3cm wide, representing a 258' long freighter. Additional mid-sections (696-2050M), are available separately to build a longer boat. 696-2050 Kit
