EVANS 100 TON ANGLED HEAD COIL CARS

ADVANCE RESERVATION

Eight paint schemes of the HO Evans 100 Ton coil cars are ready for Advance Reservations. Four of the paint schemes are being done for the first time by InterMountain. Each coil car will include two coil steel metal weights. Additional packages of four weights will be available for purchase. All items feature six unique, prototypical road numbers. The models are equipped with etched metal walkways, operating metal knuckle couplers, and precision InterMountain metal wheel sets. Please get your Advance Reservations to us as soon as possible so that we can delivery this unique model soon.

PROCOR PRESSURE FLOW HOPPER CARS

READY TO SHIP!

Eight paint schemes of the HO Procor hopper car are ready to ship! Four of the paint schemes are being done for the first time by InterMountain. Each of these exceptional models features laser sharp decoration, multiple prototypical road numbers, etched metal and wire formed details, operating KaDee® knuckle couplers, and precision InterMountain metal wheel sets. Quantities are limited so be sure to confirm your Advance Reservations as soon as possible.

TARIFFS ARE HERE!

Procor Hoppers received tariffs, we absorbed the fees, but for future product, we may be forced to adjust the pricing. We are now being charged for all goods coming from off shore. The next Dealer Memo will be sent to you in the next two or three weeks and will contain additional, more specific information as to how the tariffs will affect pricing. At this time we have no idea as to how much the tariffs will be in the future or how long they will last. We will update you on any information we have.
