

- ***N Scale Amtrak Superliner 6 Unit Set –***
- ***N North American Suburban Station –***
- ***More N Scale Bridges-***

A detailed model of a Schainburg train station. The main building has a green gabled roof and a central clock tower with a clock face. The name 'SCHAINBURG' is visible on the front. To the right is a smaller building with a similar green roof. In the foreground, there is a platform with a green-roofed shelter supported by four pillars. The entire model is set on a tan base with yellow lines representing tracks.
